Personal Letter and Message from Pastor Dawson

At various times in earthly history, God moves in a powerful, and specific way to demonstrate He is still in charge. At various time in history God would miraculously move upon a man or woman of God to challenge people to trust Him like never before. You recall the story of the Widow and Elijah. He challenged the woman to minister to his needs, and as a result of her obedience God took care of her during a horrible time of famine.

Just a few days ago, God laid upon my heart that He is about to do the same for each listener, and supporter of Spirit of Life. As you know, Spirit of Life has been given a divine assignment to build a unique spiritual bridge between those with a legalistic mindset, and connect them to the freedom that comes from the Holy Spirit. As you give to Spirit of Life to take care of our needs. I have received a promise from God that He will release miracles in your life to take care of your needs. Please hear me, you cannot buy a miracle by giving. I am not talking about trying to buy God, or bargaining with God. God is not for sell. What I am saying is, God has made it clear to me that when you give to Spirit of Life during the special season, He will receive your giving as a special seed that will lead to an abundant harvest.

Here is what God has laid on my heart. Beginning April 10, 2007 thru September 28, 2007 every one who supports Spirit of Life with a special seed will be given a unique miracle as the harvest on that seed. Starting April 10, 2007 thru September 28, 2007 you are to give a \$1,000 seed, a \$5,000 seed, a \$10,000 seed or an amount much greater. If you gave \$166.66 each month for six months beginning April 10, that will equal \$1,000 by September.

The other thing God laid on my heart is that I am to ask you to give without limiting what you give or how often you give. You are to be free to give over, and above what you would normally do. From what the Lord spoke to my spirit, this season for special miracles on your giving will begin April 10, 2007 thru September 28, 2007.

Starting April 10 - Click on the “CLICK & PLEDGE” button below or on our website, and begin giving. You can give by check, credit cards or mail your seed to our address.

I want you to not only expect a miracle, but also receive the miracle set aside for you. As you bless us, get ready to receive in abundance.

Sincerely,

Pastor William Dawson
