**Personal Message from the desk of Pastor William Dawson**

One supporter of Spirit of Life had been diagnosed with prostate cancer. Cancer was alive and well in his body. During this time of trial he continued to trust God and honor His word. He did not give up. It was tough but he kept moving forward.

Guess what? He called me the other day (Wednesday, August 8, 2007) and left a message of great news. After extensive tests at Loma Linda Medical Center they discovered there was no longer any presence of cancer anywhere in his body. God is good! He and his wife sat stunned as they were given the good news. Isn't that just how a miracle would affect you? A real miracle will stun you.

Miracles still happen. The above testimony about being healed from prostate cancer is further confirmation of what God shared with me regarding a special time for miracles for the supporters of this ministry. Based on what the Lord spoke to my spirit, this season for **special miracles on your giving** would begin April 10, 2007 and go thru September 28, 2007. I don't know the reason for this particular time. One thing I do know is God has His hand on this ministry. He has blessed those who are faithful in their giving. **Your giving will not buy a miracle from God. God is not for sale.** There are many who are touched by the Spirit of God and have not given anything to anyone. Do not become confused. Do not give just to receive. However, do not overlook the fact that the Bible is very clear, you reap as you sow. I have seen God faithfully perform His word during this special season. **We have only two months left (August/September) in this special season.** You will always be able to give to Spirit of Life, and help the vision become a reality. However, during this special time I am asking you to give **without limiting what you give or how often you give. (There are only two months left)**. You are free to give over, and above what you would normally give.

It is not too late. Continue to trust God like never before. Especially trust Him when He is silent. When you cannot hear God He is still at work in your life. When God created our world He rested at the end of each day. While He was resting He was still God. He rested to give us a hint of His pattern of work. He does not complete every project in one day. He spreads it out over a period of time in order to savor the satisfaction of

accomplishment. If God has not visited your house lately, don't worry. He will be back soon. Don't give up on your miracle. This is the season to be blessed.

If you do not have the faith to receive from Him, connect with my faith. Let me be your faith partner in receiving God's best for your life. Find a quiet place where you will not be disturbed and read the first seven chapters of the Book of Mark. Reading those chapters will take less than ten minutes. When you finish reading I want you to take the next thirty minutes and spend your time praising and thanking God. Praise Him in advance of your miracle. Follow this same pattern for fifteen days and you will experience the power of God in your life like never before.

Your miracle is on the way. I feel it. Don't forget to email me with your praise reports. I look forward to hearing how God is blessing you. Thanks again for all you are doing for Spirit of Life. Have a great month. Lady Dawson and I are praying for your success in every area of life.

May God continue to bless you.
