Personal message from the desk of Pastor Dawson

Where you are matters as much as what you are. What surrounds you determines what grows inside you. If the wrong people, or environment surrounds you, your weaknesses will grow. If you are in the right environment, your gifts will grow. Success is determined by location. When you are in the presence of God everything right grows, and everything wrong dies.

It does not take God long to do something big. Little hinges swing big doors. As you reach out to God, He is impressed with your desire. As you pursue Him, He provides for you.

The differences in a season are the wise actions you take at the right time. God creates seasons of blessings, favor, and prosperity, but it is your wisdom (proper action based on knowledge) that schedules your seasons. Faith decides divine timing. We often think of God as waiting to do something for us. We think God has a calendar, and a schedule to bless us, As soon as our special day comes, we will be blessed. However, that is not the entire picture. God does not plan out every little detail of your life. **God does not preplan your decisions; He preplanned the results of your decisions.**

When Jesus met the blind man in the Bible, the blind man cried out, "Jesus, thou son of David, have mercy on me." His faith decided the divine timing of his miracle. He used wisdom (proper action based on knowledge) to put his miracle on schedule. He cried out, and it was his cry that scheduled his miracle. The woman with an issue of blood said to herself, "If I can just touch the hem of His garment, I know I will be made whole." Every miracle begins with a conversation. Every miracle begins with a conversation with yourself, or someone with faith. You can launch a miracle anytime you are in the presence of God.

If you have ever done anything right you are doing the right thing now as you read this letter. This is an unusual time for God's favor. In my time of prayer with God, He made it clear to me that He was prepared to particularly bless the supporters of Spirit of Life during a special season from April 10 thru September 2007. God moves all the time, but there are special seasons of favor activated by your desire, decisions, and actions. It is now up to each one of us to act in wisdom during this season.

As you give to Spirit of Life in support of our assignment, and vision, I have received a promise from God that He will release miracles in your life to take care of your needs.

Again, **please hear me, you cannot buy a miracle by giving.** I am not talking about trying to buy God or bargaining with God. God is not for sell. What I am saying is, God has made it clear to me that when you give to Spirit of Life during this special season, He will acknowledge your giving as a special seed that will lead to an abundant harvest.

Again I repeat what God has laid on my heart. Beginning April 10, 2007 thru September 28, 2007 every one who supports Spirit of Life with a special seed will be given a unique miracle as the harvest on that seed.

God also laid on my heart that I am to ask you to give **without limiting what you give or how often you give** during this period. (**There are only five months left**). You are to be free to give over, and above what you would normally give. Based on what the Lord spoke to my spirit, this season for special miracles on your giving will begin April 10, 2007 thru September 28, 2008. Already I have received a report of one of our supports receiving a \$16,000 salary increase. Praise God! I would love to hear from you as God releases the miraculous in your life. When you send in your praise reports, please indicate whether or not I have your permission to share what God is doing in your life.

In addition to your giving, I want you to take this letter to your loved ones who are sick. I want you to read this letter to those who are suffering emotional, financial or physical pain. After reading this letter to them, pray a prayer of faith. Believe God for a miracle. The miracle will manifest in your situation, not because of this letter, but because of your actions of faith. God loves you in a personal way. You are His special delight. This is the time, and season of His favor toward Spirit of Life. Believe God in a special way. Decide to trust Him.

I am continuing to pray for your success in every area of life,

Pastor William Dawson
