## **Personal Letter and Message from Pastor Dawson**

Where you are matters as much as what you are. What surrounds you determines what grows inside you, your weakness or your gift. Success is determined by location. When you are in the presence of God everything right grows, everything wrong dies.

It does not take God long to do something big. Little hinges swing big doors. As you reach out to God, He is impressed with your desire. As you pursue Him, He provides for you.

The difference in seasons is your wisdom. God creates seasons of blessings, favor, and prosperity, but it is your wisdom that schedules your seasons. Faith decides divine timing. We think that God is waiting to do something for us. We think that God has a calendar, and a schedule to bless us, but that is not the entire picture. If you think that God planned everything that happens in your life you are missing a powerful truth. **God did not predestine your decisions; He predestined the consequences of decisions.**

When Jesus met the blind man in the Bible, the blind man cried out, "Jesus, thou son of David, have mercy on me." His faith decided the divine timing of his miracle. The woman with an issue of blood said to herself, "If I can just touch the hem of His garment, I know I will be made whole." Every miracle begins with a conversation. Every miracle begins with a conversation with yourself, or with someone with faith. You can launch a miracle anytime you are in the presence of God. If you have ever done anything right you are doing the right thing now as you read this letter. This is an unusual time for God's favor. In my time of prayer with God, He made it clear to me that He was prepared to particularly bless the supporters of Spirit of Life during a special season from April 10 thru September 2007. God moves all the time, but there are special seasons of favor activated by your desire, and decisions. This is the time, and season of His favor toward Spirit of Life. Believe God in a special way. Decide to trust Him.

As you give to Spirit of Life to take care of our needs, I have received a promise from God that He will release miracles in your life to take care of your needs.

**Please hear me, you cannot buy a miracle by giving.** I am not talking about trying to buy God, or bargaining with God. God is not for sell. What I am saying is, God has made it clear to me that when you give to Spirit of Life during this special season, He will acknowledge your giving as a special seed that will lead to an abundant harvest.

Here is what God has laid on my heart. Beginning April 10, 2007 thru September 28, 2007 every one who supports Spirit of Life with a special seed will be given a unique miracle as the harvest on that seed. God also laid on my heart that I am to ask you to give **without limiting what you give or how often you give** during this period. (There are only five months left). You are to be free to give over, and above what you would normally give. Based on what the Lord spoke to my spirit, this season for special miracles on your giving will begin April 10, 2007 thru September 28, 2008.

In addition to your giving, I want you to take this letter to your loved one who is sick, suffering in emotional, financial or physical pain. Read this letter to them, and pray a prayer of faith. Believe God for a miracle. The miracle will manifest in your situation, not because of this letter, but because of your actions of faith. God loves you in a personal way. You are His delight.

I am continuing to pray for your success in every area of your life,

Pastor William Dawson
