Personal Message from the desk of Pastor William Dawson

This is it. A powerful shift and change has already taken place. Life-changing decisions have been made. Miracles have happened with people we know. God is active and working in our midst. If you have not received your promised blessing, what must you do for the next few days? Is there any way to increase the likelihood that a miracle will arrive at your door? The short answer is yes. I have found that in desperate times I need to focus on confessing the Word as much as possible. There are certain scriptures known to quickly increase hope. If you need a financial miracle (who doesn't these days) read the following texts three times daily and watch your faith grow. **Gal. 3:13,14; Deut. 28; 2 Cor. 8:9, John 10:10; John 5:24; Psalm 119:25; Psalm 37:4; Luke 6:38; 2 Cor. 9:6-8; Phil 4:19; Psalm 23:1-3; Rom. 5:17; Psalm 35:27.**

Remember, **we only have a few days left in this special season.** God laid on my heart that during this season, He would be releasing miracles in the lives of our supporters. You will always be able to give to Spirit of Life, and help the vision become a reality. However during this special season I am asking you to give **without limiting what you give or how often you give. (There are only a few days left)**. You are to be free to give over, and above what you would normally give. Based on what the Lord spoke to my spirit, this season for **special miracles on your giving** would begin April 10, 2007 and go thru September 28, 2007. September 28 is just around the corner.

I look forward to hearing from you. Thank you again for your faithfulness. I am praying for your success in every area of life.

May God continue to bless you.
